## ▶ WHAT'S NEXT? CAREER PATHS IN SCIENCE – AND BEYOND

THURSDAY, NOVEMBER 16, 2017, 9 AM  
INM, LEIBNIZ-SAAL, CAMPUS D2 5

What will be my next step? Most female scientists have to ask themselves this question at several points of their career, either during their doctoral or postdoctoral phase. This symposium will show you different career paths, from obvious ones, like science and industry, to ones you may not have considered yet. Join us, discuss and network with other female scientists!
