WRITING, PRESENTING, NETWORKING - TOOLS FOR A SCIENTIFIC CAREER

October 24, 2019, 9 am - 1 pm,
INM, Leibniz-Saal, Campus D2 5

A SYMPOSIUM FOR
FEMALE SCIENTISTS

Writing, presenting and networking are main tools for researchers at all stages of their career in academia. How can you improve your skills? Which mistakes can you avoid? Join our symposium and benefit from the insider view of our experts, learn about the reviewers' perspective and discuss and network with other female scientists! Our symposium is aimed at female scientists in the STEM fields, particularly PhD students and postdocs.
